Faith Survey Results

Targeted Areas

With 60% of students agreeing that they would recommend their school to a friend and 54% of students agreeing that most students respect each other, we see a great opportunity to grow our compassionate school practices to create a community of connection and care.

With 66% of students agreeing that they enjoy learning about their faith and 67% of students agreeing that they are inspired by their Catholic faith, we are striving to improve the abundance and quality of our faith events to create a community of connection and care through our faith.

92% My school encourages me to learn more about my faith.

90% I learn that we all need to play a part in helping make our world a better place for everyone.

88% My school prays together as a community of believers.

85% I understand what it means to love and help my neighbor as a Catholic member of our community.

Future Priorities

- ✓ Meaningful faith based encounters will be enhanced for all students in order to create a community of connection and care.
- ✓ Compassionate school practices will be enhanced for all students in order to create a community of connection and care.
- ✓ New curriculum will be collectively implemented through goal oriented weekly collaboration meetings.
