

"All are welcome. All belong."

Dear Parents:

Children deserve the best possible chance at a healthy diet, and milk is one of the quickest ways to provide that goodness. Studies show that well-nourished children do better in school. In conjunction with the healthy snack and lunch you pack for your child, our milk program provides health benefits that help children concentrate, have more energy and get the most out of their school day. No other drink comes close to providing children the fifteen essential nutrients they need to grow and be healthy.

Milk service at Holy Trinity Catholic School is a not for profit service provided to you by the staff and volunteers. Please direct any inquiries to htsmilk@rdcrs.ca.

How it works:

Use the order form below. Milk is purchased by pre-order only. Payments may be made using cash or cheque (to Holy Trinity Catholic School), as well as debit/credit (in person at the front office only for debit/credit). Order tickets in quantities of ten, twenty or fifty. Once your order form and payment is received, a milk card(s) will be sent home with your child.

When you have used all of your tokens on your milk card; stop in at the office or print on-line from www.holytrinitycatholic.ca (Parents/Students tab) and repeat the process.
